What are the drawbacks of using an app?

*Honestly, I think they' re great. But if I had to give an answer,
(原因) I' d say some apps are really addictive and um, (结
果/原因) you might end up spending too much time on them.
(结果) In this case, perhaps you would neglect some other
important things like studying, working, hanging out with
friends, working out and so on.*

Do you think people will still read paper books in the future?

No, I don't think so. Um, what I think is that in the future, there will probably be no one who reads paper books (原因) cause everyone will be reading with their smartphones. (原因) It's because this is super convenient, right? (原因/表现) You don't have to carry books around and you can download many books in just one phone. (结果) So yeah, I think paper books will eventually die out.

What do you think of online shopping?

I think it ' s awesome. For starters, it ' s extremely convenient. (表现) I mean, with a click of the mouse, you can buy things and have them delivered to you the next day. Plus, the things you buy are usually cheaper than in physical stores (列举) like shopping malls, supermarkets, and department stores. (举例) For example, if you buy a book that (数字) costs 50 yuan, you will usually get a 15 or 20% discount on Amazon or Dangdang. Oh, Dangdang is the Chinese equivalent of Amazon.

Do you think museums are important?

Yeah, I do think so. I don't think I can emphasize enough the importance of museums cause they're places where we can gain a great deal of knowledge and have a lot of fun at the same time. (举例) For instance, there's a military museum within walking distance of my apartment and I go there on a quite regular basis. Over the years, I've learned a lot about military there.
