## P2回答策略

- 逐点回答：从上到下，一点一点回答
- 做除法：2分钟---12-15句话
- 每点---3-4句话
- $P2=4*P1$

- 如何扩展？
- 1. 前因后果、逻辑递推
- 2. 多给细节、多举例子：数字+列举+宽泛到具体+举例

微博：杨帅-贵学

公众微信：Ielts-shuaige

版权所有，盗版必究！

- 3. 回顾过去（最简单、最有效）：在某一点或某些点中讲一个曾经的故事（时间、地点、人物、事件、感受，注意讲故事时的“细节描述+时间顺序”）
- *For example, ... / For instance, ... / I remember (vividly/clearly) ... / Actually, last year ... / You know, two months ago ... / Like last week...*
- *what you did at the party*
- *why you enjoy traveling with friends*
- *what you can learn from the program*
- *what you can do with this app*

- 4. 平行扩展+黄金“三”原则：有些“点”可以给出三个“观点”——*what you often do together/what the book is about/what you liked about the city/why he or she is famous*
- Well, there are *a couple of reasons why* I went there. *First of all ... Plus ... Also*
- Well, there are *loads/tons of things* we often do together....  
*For starters ... Also ... Besides ...*
- Um, I think she is extremely famous across the world  
*primarily because ... Another reason is ... Apart from that ...*

- **词汇**：30大习语+充分模仿我的sample answers+词汇逆袭法
- **语法**：平时录音练习、听、改错///把答案写下来---200字左右，写完后读两三遍，然后做笔记、练习回答两三遍
- 在考场上，不要被自己准备过的东西所牵绊，忘了就按照大概思路自己扩展
- 一点没的说了，别紧张，去说下一点

- **The person I really respect is my grandfather.** He's in his early 70s, but he doesn't seem old at all. (原因) I think it's (1) primarily because he is extremely energetic every single day. (原因/表现) You know, he goes for a run every morning in the park, and sometimes he goes fishing with his old pals. (2) Plus, my granddad is a really hilarious guy and (表现) he tells many jokes. The person I really respect is my grandfather. He's in his early 70s, but he doesn't seem old at all. I think it's primarily because he is extremely energetic every single day. You know, he goes for a run every morning in the park, and sometimes he goes fishing with his old pals. Plus, my granddad is a really hilarious guy and he tells many jokes. Whenever I hang out with him, he always cracks me up.

My grandfather is my role model and I really look up to him cause for starters, he is a glass half full kind of guy. He is always positive and it seems like nothing bothers him. Just to give you an example, a couple of weeks ago, he asked me to go fishing with him and I agreed. But just as we were about to set out, it began to rain. I was really bummed out. But my granddad said, "It's okay, let's play chess instead". Then, we began to look for our chess board and it was nowhere to be found. Even after this, he was still smiling. At the same time, he was scratching his head, saying, "I must have left it in the park". Um another reason I really respect him is because he admits he's wrong whenever he's made a mistake. You know, it's not easy for elderly people. Most of them think saying "I'm wrong" makes them lose face. But my granddad is not one of them ...

- Well, I've been trying to find a girlfriend for a long time, but it seems like I'm nowhere near achieving that goal.
- I think I first had this ambition five years ago when I was still in high school. (回顾过去) At that time, a few of my classmates already had a boyfriend or girlfriend and they would go on double dates or triple dates together, (结果) so I was kind of left out. (结果) I guess this was when I started to really wanna have a girlfriend. I remember vividly I was having a major crush on my best pal's girlfriend. I know it's embarrassing to say but I was head-over-heels in love with her. However, I didn't have the guts to tell her that.

- (现在) You know, I'm still single now. (原因) Honestly I have no idea why. (原因1) I mean, I'm quite smart and I look pretty good as well. (原因2) Plus, I play soccer. I've always believed that boys who play sports are quite attractive. Sadly, it doesn't apply to me.
- (将来) Um, I suppose I have to try harder. (表现) You know, I'm thinking of joining some clubs at my university, like the magic club. Perhaps if I were able to do some magic tricks, I would look more charming. Haha, who knows.
